**INFORMED CONSENT:**

A patient, in coming to the chiropractic doctor, gives the doctor permission and authority to care for the patient in accordance with the chiropractic tests, diagnosis, and analysis. The chiropractic adjustment or other clinical procedures are usually beneficial and seldom cause any problems. In rare cases, underlying physical defects, deformities or pathologies may render the patient susceptible to injury. The doctor, of course, will not give any treatment or care if he/she is aware that such care may be contra-indicated. Again, it is the responsibility of the patient to make it known, or to learn through healthcare procedures what he/she is suffering from: latent pathological defects, illnesses or deformities which would otherwise not come to the attention of the chiropractic physician. The chiropractic doctor provides a specialized, non-duplicating health care service. Your doctor of chiropractic is licensed in a special practice and is available to work with other types of providers in your health care regimen. I understand that if I am accepted as a patient by a physician at **Moore Chiropractic & Wellness**, I am authorizing them to proceed with any treatment that they deem necessary. Furthermore, any risk involved, regarding chiropractic treatment, will be explained to me upon my request.

**Women Only:**

To the best of my knowledge I **am / am NOT** pregnant and (**give my permission / don't give permission**) to x-ray me for diagnostic interpretation.

Dear Patient,

It has been our experience that our patients have a complete understanding as to our office policy and fees. We offer several methods of payment to aid you in obtaining the best chiropractic care. When making a health care decision, it is important to remember that you, the patient, are ultimately responsible for any services rendered.

**CASH:** Each visit can be paid by check, cash or credit card. We accept Visa, MasterCard, and Discover. Fees are currently \$45 per visit, or you can pre-pay \$140 for four visits. There is a family rate of \$75 for 2 members or \$140 for up to 5 members. We do require all who will be included in the discount to be living in the same household. Any married children and/or those over 18 years of age must contribute to a separate fee of \$45 which is the discounted rate.

**INSURANCE:** Many insurance carriers cover chiropractic care. You must present your card at the time of your visit. You will be responsible for any uncovered services. Normally, uncovered expenses include: deductible, co-insurance and any other excluded amounts or services. This office does not promise that an insurance company will pay for the usual and customary charges, nor will this office enter into any dispute with an insurance company over reimbursement or the amount of reimbursement. If you do not present your insurance card at the time of your visit, please refer to the **CASH** portion of this letter.

**AUTO ACCIDENTS:** If you are involved in an auto accident or related injury, we must receive the insurance company, claim number and contact person for your accident before you will be permitted to see the doctor.

**MEDICARE:** We will bill Medicare and your secondary insurance for you. Medicare will pay 80% of all office visits that are medically necessary after you have met your deductible. Your responsibility is 20% if you do not have a secondary insurance. Charges for the exam, any x-rays or therapy in this office that are deemed medically necessary will be your responsibility.

**OHIO MEDICAID:** Currently, Medicaid will cover 30 visits per year for patients under the age of 21 and 15 for those 21 and over. Any visits over this amount are the patient's responsibility. Patient must present their card of eligibility at the time of their appointment. If you do not have a Medicaid card at the time of your visit, you will not be permitted to see the doctor.

\*We ask that you sign this form as acknowledgment that our policy was explained to you, that you accept full financial responsibility. Failure to comply with this agreement may result in termination of professional care.\*
