The Gift of an Education

BE AN ANGEL TO A STUDENT

Catholic schools are a proven success – 99% of students graduate high school and over 98% advance to higher education. Families send their children to these schools for solid academics, a safe environment and values they instill. But for many parents who are struggling to make ends meet, the average \$4,000 tuition is unmanageable. As an Angel, you enable a financially at-risk student to remain in his/her Catholic school. 100% of your contribution is directed to tuition, with the parents or guardians responsible for the remainder.

YOUR SPONSORSHIP

Corporations and individuals are offered unique sponsorship opportunities at this event that will help make a difference in the lives of at-risk students. As a sponsor, you will gain recognition for your commitment in assuring that inner-city children are given the opportunity of a quality, value-centered education.

Established in 1989, the mission of Futures In Education is to ensure that the gift of an excellent Catholic education continues to be a viable option for current and future generations of students in Brooklyn & Queens. We provide assistance to the neediest of those students through endowment funds and fundraising programs that focus on key educational priorities. Our schools are not exclusive. They afford opportunities to a range of diverse ethnic and religious backgrounds.
