

ALOE ACTIVATOR

Herbalogica's Aloe Activator is a skin freshener and toner with antiseptic properties that help give greater health and color to the skin. It may be used alone or with the Protein Lift Mask and is a great tool to aid in the removal of the Green Clay Mask and Protein Lift Mask. Great for all types of skin by working not only as a hydrator and skin softener but as a natural anti-fungal and anti-biotic.

Mixed with LIFT Facial Masque:

- Helps mask penetrate more deeply
- Helps mask draw impurities from the skin
- Works as a carrying agent for the nutrients of the mask

Used Alone:

- Antiseptic properties help give greater health and color to the skin
- A skin freshener and toner under make-up
- Can be used as a spritz over make-up

Suggested Use:

With Mask- Mix one teaspoon of Protein Lift Mask with 3/4 teaspoon of Aloe Activator. Form a creamy paste. Mix thoroughly to ensure there are no lumps in the mixture.

Without Mask- Massage into skin in upward strokes.
