ZERONA
Non - Invasive Body Slimming
COLD LIPOLASER

US-FDA
APPROVED FOR
BODY SLIMMING

Reveal your True Shape in Just Few Weeks

During a double-blind, placebo-controlled, multi-site clinical trial, clients treated with the Zerona laser lost an average of 3.72 inches from their waists, hips and thighs without any dietary changes, exercise requirements or supplements.

For best results, Dr. Miles Romney, D.C. recommends 6 to 12 forty minute Zerona treatments, depending upon your Body Mass Index.
