

11. Soft Tissue Support

Fibroplex

Fibroplex® is a specialized formula that provides nutritional support for energy metabolism and neuromuscular function, featuring chelated magnesium, malic acid, and select B vitamins.* Provides intensive, targeted nutrition for muscles to support well-being in patients with muscle tenderness and discomfort.* Supports cellular energy production.* Provides bioavailable, well-tolerated magnesium in the form of an amino acid chelate. Includes the trace mineral manganese to support the endogenous formation of the enzyme superoxide dismutase (SOD), which provides powerful antioxidant protection. Supplies clinically effective levels of nutrients in just four tablets.

Serving Size: 2 Tablets

Ingredient	Amount	Daily Value
Thiamin (as thiamin mononitrate)	50 mg	3333%
Vitamin B ₆ (as pyridoxine HCl)	50 mg	2500%
Magnesium (as magnesium bis-glycinate†)	150 mg	38%
Manganese (as manganese glycinate†)	5 mg	250%
Malic Acid	600 mg	*

Other Ingredients: Microcrystalline cellulose, stearic acid (vegetable), croscarmellose sodium, sodium starch glycolate, silica, and coating (water, hypromellose††, medium chain triglycerides, and hydroxypropylcellulose††)

Directions: Take two tablets twice daily or as directed by your healthcare practitioner.

Caution: Keep out of the reach of children.

Formulated to Exclude: Wheat, gluten, soy, animal or dairy products, nuts, tree nuts, fish, crustacean shellfish, colors, artificial sweeteners, and preservatives.

This product is Gluten Free and Vegetarian.

Keep tightly closed in a cool, dry place
