NOTICE OF PRIVACY PRACTICES ACKNOWLEGEMENT

I understand that, under the Health Insurance Portability & Accountability Act of 1996 ("HIPAA"), I have certain rights to privacy regarding my Protected Health Information ("PHI"). I understand that this information can and may be used to:

*Conduct, plan, and direct my treatment and follow-up among all health care providers who may be directly or indirectly involved in my treatment.
* Obtain payment from third-party payers.
*Conduct normal health care operations such as quality assessments and physician certifications.
*Deliver appointment reminders by phone, text, or email.

I have received, read, and understand your Notice of Privacy Practices containing a more complete description of the uses and disclosures of my health information. I understand that this organization has the right to change its Notice of Privacy Practices at any time and that I may contact this organization at the address above to obtain a current copy.

I understand that I may request in writing that you restrict how my private information is used or disclosed to carry out treatment, payment, or health care operation. I also understand you are not required to agree to my requested restrictions, but if you do agree, that you are bound to abide by such restrictions.

NON-COVERED SERVICES/INFORMED CONSENT

Non-Covered Services: I clearly understand and agree that all services rendered to me are charged directly to me and/or my insurance carrier, and that, ultimately, I am personally responsible for payment. There will be a missed appointment/cancellation fee for any appointment missed or cancelled without 24 business hours notice by phone or in person. Regarding scheduled examinations, I understand that if I have been charged an appointment reservation fee, this fee is non-refundable if I cancel without 24 business hours notice, or if I cancel a Monday appointment over the weekend. If I suspend or terminate my care and treatment, any fees for professional services rendered to me will be immediately due and payable unless specific arrangements are approved in writing by the doctor.

Informed Consent: I have been informed and understand that in the practice of chiropractic there are some extremely rare risks to treatment including, but not limited to, muscle strains, joint sprains, and disc injuries. I do not expect the doctor to be able to anticipate and explain all risks and complications. I authorize Cosgrove Chiropractic, P.S., dba Sky Valley Chiropractic to examine and utilize any means necessary to diagnose my condition in accordance with the state statues for the care and management of my condition. I am giving my consent to Cosgrove Chiropractic, P.S., dba Sky Valley Chiropractic to cover the entire course of treatment for my present and any future condition for which I seek treatment.

NOTICE OF PRIVACY PRACTICES

THE NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

The Health Insurance Portability & Accountability Act of 1996 ("HIPPA") is a federal program that requires that all medical records and other individually identifiable health information used or disclosed by us in any form, whether electronically, on paper, or rally, are kept properly confidential. This Act gives you, the patient, significant new rights to understand and control how your health information is used. "HIPPA" provides penalties for covered entities that misuse personal health information.

As required by "HIPPA" , we have prepared this explanation of how we are required to maintain the privacy of your health information and how we may use and disclose your health information.

We may use and disclose your medical records only for each of the following purposes: treatment, payment and health care operations.

- **Treatment** means providing, coordinating, or managing health care and related services by one or more health care providers. An example of this would include a physical examination.
- **Payment** means such activities as obtaining reimbursement for services, confirming coverage, billing or collection activities, and utilization review. An example of this would be sending a bill for your visit to your insurance company for payment.
- **Health care operations** include the business aspects of running our practice, such as conducting quality assessment and improvement activities, auditing functions, cost-management analysis, and customer service. An example would be an internal quality assessment review.

We may also create and distribute DE-identified health information by removing all references to individually identifiable information.

We may contact you to provide appointment reminders or information about treatment alternatives or other health-related benefits and services that may be of interest to you.

Any other uses and disclosures will be made only with your written authorization. You may revoke such authorization in writing and we are required to honor and abide by that written request, except to the extent that we have already taken actions relying on your authorization.

You have the following rights with respect to your protected health information, with you can exercise by presenting a written request to the Privacy Officer:

- The right to request restrictions on certain uses and disclosures of protected health information including those related to disclosures to family members, other relatives, close personal friends, or any other person identified by you. We are, however, not required to agree to a requested restriction. If we do agree to a restriction, we must abide by it unless you agree in writing to remove it.
- The right to reasonable requests to receive confidential communications of protected health information from us by alternative means or at alternative locations.
- The right to inspect and copy your protected health information.
- The right to amend your protected health information.
- The right to receive an accounting of disclosures of protected health information.
- The right to obtain a paper copy of this notice from us upon request.

We are required by law to maintain the privacy of your protected health information and to provide you with notice of our legal duties and privacy practices with respect to protected health information.

This notice is effective as of April 14, 2003 and we are required to abide by the terms of the Notice of Privacy Practices currently in effect. We reserve the right to change the terms of our Notice of Privacy Practices and to make the new notice provisions effective for all protected health information that we maintain. We will post and you may request a written copy of a revised Notice of Privacy Practices from this office.

You have recourse if you feel that your privacy protections have been violated. You have the right to file written complaint with our office, or with the Department of Health & Human Services, Office of Civil Rights, about violations of the provisions of this notice or the policies and procedures of our office. We will not retaliate against you for filing a complaint.

Please contact us for more information:
