Cancellation/ No show policy

Please be advised that it is this office’s requirement to give a business days’ notice if you are unable to attend your appointment. If you fail to do so, you will be charged a \$35 fee. This fee also applies to no-show occurrences as well as same day cancellations. Cancellations outside of office hours (i.e- a Saturday/Sunday cancellation for a Monday appointment or a cancellation during the week outside of office hours), are not accepted as we will not be able to take the appropriate steps to fill your appointment spot if we are not in the office. We understand emergencies happen, and will handle and will address each event as applicable.

Late arrival policy

We understand that things beyond your control often happen and might prevent you from making it to your appointment on time. Our office policy is to allow a 10 minute grace period for such late arrivals. We respect your time and ask that you respect the office’s/other patient’s time as well. We apologize for the instances where we will not be able to accept a late arrival beyond the 10 minute grace period.

Thank you for your understanding regarding these policies.

****For Medicare/ Medicaid patients only****

Medicare and Medicaid will only cover Chiropractic adjustments. They will not cover office visits or any other procedure billed by a Chiropractor. If any other procedure is rendered, you are solely responsible for this charge. This office aims to notify you in advance should a non-covered charge happen. However, if you do not inform the office ahead of your appointment about a change in your symptoms or a new issue that requires an office visit, we will not have the ability to inform you ahead of your appointment regarding the charge. ****Initials** _____

New patient exam- \$200

Existing patient, low complexity office visit/ Imaging review- \$80

Existing patient office visit/re-exam or new complaint - \$120

Daily treatment- \$65 (Visits are based on 30 minute encounter times)

To Our Patients:

As you know, if you have ever checked into a hotel or rented a car, the first thing you are asked for is a credit card, which is imprinted and later used to pay your bill or charge for incidentals. This is an advantage for both you and the hotel or rental company, since it makes checkout easier, faster, and more efficient.

We have implemented a **mandatory**, similar policy. You will be required to present a credit card at the time you check in for your appointment. This information will be held securely in our HIPAA compliant billing software until your insurance(s) has paid their portion and notified us of the amount of your share. Once your claim has been processed by your carrier and posted to our system, we will notify you that you will have a charge pending. Any remaining balance owed by you will be charged to your card on file, and a copy of the charge will be mailed/emailed to you if requested.

This will be an advantage to you since you will no longer have to write out and send us checks. It will also be an advantage to us because it will greatly decrease the number of statements that we have to generate and send out. The combination will benefit everybody in helping to keep the cost of healthcare down.

This in no way will compromise your ability to dispute a charge or question your insurance company's determination of payment.

Co-pays, coinsurance, and deductibles that are due at the time of the visit will, of course, still be due at the time of the visit.

If you have any questions about this payment method, do not hesitate to ask.

Sincerely yours,
Chiro-Med & Rehab
