## Doctor's Lien

I do hereby authorize the doctor to furnish my attorney, with a full report of my examination, diagnosis, treatment, prognosis etc., in regard to the accident in which I was involved.

I hereby authorize and direct my attorney to pay directly to said doctor, such sums as may be due and owing him for medical services rendered to me, by reason of this injury and by reason of any other bills that are due his office and to withhold such sums from any settlement, judgment or verdict as may be necessary to adequately protect the doctor. I hereby further give a lien on my case to said doctor, against any and all proceeds of any settlement, judgment or verdict which may be paid to you, my attorney or myself, as the result of the injuries for which I have been treated.

I fully understand that I am directly and fully responsible to said doctor, for all medical bills submitted by him for services rendered me and that this agreement is made solely for said doctor's additional protection and in consideration of his awaiting payment. I understand that such payment is not contingent on any settlement, judgment or verdict by which I may eventually recover said fee.

Please acknowledge this letter by signing below and returning to the doctor's office. I have been advised that if my attorney does wish to cooperate in protecting the doctor's interest, the doctor will not await payment, but will require me to make payments on a current basis.
