Wellness Montana is a private pay office, where payment is due in full at the time of services, unless prior arrangements have been made with the doctor's approval. Payment options we accept are cash, check, or major credit card (Visa, MasterCard, and Discover).

Health and accident insurance policies are an arrangement between the insurance company and the patient, and it is the patient's responsibility for payment on all services rendered. Our office will provide a copy of services that may be turned in by the patient to their insurance, it is the patient's responsibility to submit any required documentation to their insurance company for any possible reimbursement.

Should I decide to discontinue treatment, any balance that I have accrued will be due at that time, unless other arrangements have been agreed upon. If my account is referred for outside collection, I agree to pay all collection costs, attorney fees and court costs. A 1.25% monthly (15% APR) may be assessed on the unpaid balance of any and all of my accounts.

I hereby acknowledge that I have read and understand this information and agree to its terms and conditions.
