

Safety is our number one priority

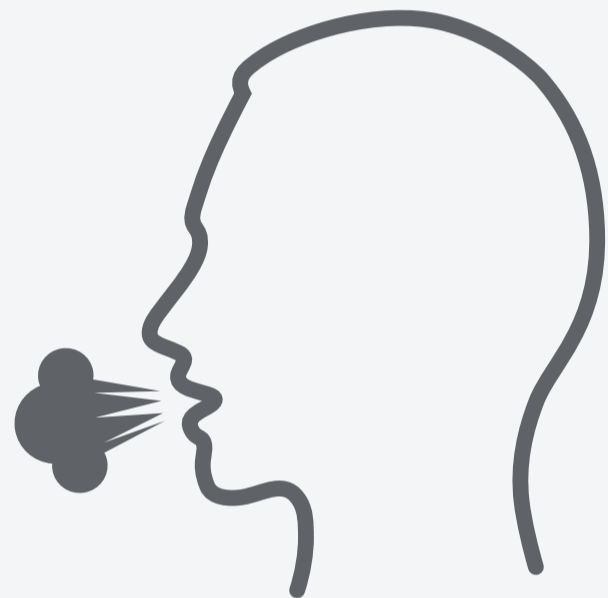

Please tell a member of our staff if you or someone you have been in contact with has travelled overseas recently, or if you have any of the following symptoms.

High temperature

Coughing

Sore throat

Shortness of breath

As members of the Australian Dental Association (ADA), **our dentists take the safety of our patients, our staff and their families very seriously.** We follow ADA Guidelines for Infection Control, which includes minimising the risk of transmitting viruses including the Novel Coronavirus.
