## Purification 21-Day Detox - Webinar

Purification, also known as detoxification, helps you remove natural toxins from your body and maintain a healthy weight. We are exposed to external toxins daily

- Pollutants, pesticides, and chemicals

Internally our bodies produce waste byproducts as a result of normal metabolic function. Although your body is designed to rid itself of these toxins naturally, it can become overburdened (STRESS!) Purification offers your body additional support to metabolize and expel these toxins. Learn all about the 21-Day Purification Detox during this informative webinar.

## Half Hour To Health - Replay

EVERYONE is invited! You're going to learn why people get sick in the first place, and how they get well & stay well, for life. This information is valuable whether you've been adjusted 2 times or 700 times. Have you ever wondered why some people have pain, muscle spasms, fatigue, indigestion, skin problems or infertility, and other people do not? This is just the beginning of the information Dr. Kalaba will cover in this Half Hour to Health replay!
