- NWHSU Homecoming — “Cultural Considerations for Patient Care” — 1.0 CE Hour (February 3, 2024)
- NWHSU Homecoming — “TMJ and Upper Cervical Management with Adjustive Techniques” — 1.0 CE Hour (February 2, 2024)
- NWHSU Homecoming — “Neural Reboot: The New Paradigm in the Treatment of Concussions” — 1.0 CE Hour (February 2, 2024)
- NWHSU Homecoming — “What Nobody Ever Told You About Headache and Head Injury” — 1.0 CE Hour (February 2, 2024)
- NWHSU Homecoming — “Evidence-Based Pediatric Chiropractic: Improvements in Quality of Life” — 1.0 CE Hour (February 2, 2024)
- NWHSU Homecoming — “Radiology Panel: Descriptions, Diagnosis, and Discourse” — 2.0 CE Hours (February 2, 2024)
- NWHSU Homecoming — “Boundary Issues in the Chiropractic Profession” — 1.0 CE Hour (February 2, 2024)
- NWHSU Homecoming — “From Pain in the Neck to Joyful Rehab: Cracking the Code of Cervical Spine Rehabilitation” — 1.0 CE Hour (February 2, 2024)
- NWHSU Homecoming — “Chiropractic Perspective and The Posture Continuum” — 2.0 CE Hours (February 1, 2024)

2023

- Boundary Training 112 — “Dealing with Attractions; Creating a Safe Practice” — 1.0 CE Hour (August 14, 2023)
- NDCA Annual Convention — “Brain Based Chiropractic Care: Concepts, Adjusting, Cases & Procedures” — 10.0 CE Hours (April 8–10, 2023)
- Great Plains Conference — “Advanced Root-Cause Medicine and Nutrition Strategies to Improve Patient Outcomes” — 9.0 CE Hours (March 17, 2023)

2022

- Great Plains Conference — “Restoring and Maintaining Stress Resilience in a Stressful World” — 9.0 CE Hours (March 18, 2022)

2021

- Examination Procedures/Diagnosis — “Identifying Discrimination and Disparities” — 1.0 CE Hour (August 8, 2021)
- Coding/Clinical Documentation — “Evaluation and Management Coding 2021” — 1.0 CE Hour (August 8, 2021)
- Examination Procedures/Diagnosis — “Cultural Competency” — 1.0 CE Hour (August 8, 2021)
- Great Plains Conference — “What Do You Keep in your Root-Cause Medicine Cabinet” — 6.0 CE Hours (April 9–10, 2021)

2018

- NDCA Seminar — “6 Pitfalls to Avoid When Treating Your Musculoskeletal Patient” — 10.0 CE Hours (2018)

2017

- NDCA Seminar — “Bullet Proof Your Documentation, Coding, and Compliance” — 10.0 CE Hours (September 23, 2017)
- NDCA Seminar — “Motion Palpation Institute: MPI Extremities” — 10.0 CE Hours (April 2017)
- NWHSU Homecoming — “Ethical Use of Social Media” — 1.0 CE Hour (February 3, 2017)
- NWHSU Homecoming — “Impacting Care with Imaging: Case Study Approach” — 3.0 CE Hours (February 3, 2017)
- NWHSU Homecoming — “Breakthroughs in the Treatment of Concussion” — 2.0 CE Hours (February 2, 2017)
- NWHSU Homecoming — “Autism Spectrum Disorders: What Have We Done and What Can We Do About It?” — 2.5 CE Hours (February 2, 2017)

2016

- Great Plains Conference — “Integration of Functional Nutrition” — 6.0 CE Hours (October 28–29, 2016)
- NDCA Seminar — “Motion Palpation with Dr. Brett Winchester” — 10.0 CE Hours (April 23–24, 2016)

- NWHSU Homecoming — “Cultural Considerations and Chiropractic Care” — 1.0 CE Hour (February 5, 2016)
- NWHSU Homecoming — “Diagnostic Imaging: Case Studies and Clinical Correlations” — 2.0 CE Hours (February 5, 2016)
- NWHSU Homecoming — “Adventures into the Function and Dysfunction of the Foot and Ankle” — 3.0 CE Hours (February 5, 2016)
- NWHSU Homecoming — “Applying Functional Medicine to Your Practice” — 2.5 CE Hours (February 5, 2016)
- NWHSU Homecoming — “Healing the Aging Metabolism: Reversing the Cause of Weight Gain with Age” — 1.0 CE Hour (February 4, 2016)
- NWHSU Homecoming — “Emerging Chiropractic Care Models in Medical Systems: Examples from Private and Public Sectors” — 1.0 CE Hour (February 4, 2016)
- NWHSU Homecoming — “The Future of Chiropractic: Positioning to Improve Population Health and Wellness” — 1.5 CE Hours (February 4, 2016)
- NWHSU Homecoming — “Concussion: Who, What, When?” — 3.0 CE Hours (February 4, 2016)
- CMS/Noridian Healthcare Solutions — “Chiropractic Documentation and CERT Review” — 1.5 CE Hours (January 27, 2016)

2015

- NWHSU Homecoming — “Diagnosis Documentation, Compliance, Medicare, and ICD Coding” — 2.0 CE Hours (February 7, 2015)
- NWHSU Homecoming — “Disruptive Patient Communications” — 2.0 CE Hours (February 7, 2015)
- NWHSU Homecoming — “Preventing Boundary Crossing Pitfalls” — 1.0 CE Hour (February 6, 2015)
- NWHSU Homecoming — “Sequelae of Trauma to the Neck: Anatomy, Rehab and X-Ray” — 3.0 CE Hours (February 6, 2015)
- NWHSU Homecoming — “Radiology 4X30: A Two-Hour Radiology Relay Race” — 2.0 CE Hours (February 6, 2015)
- NWHSU Homecoming — “Nutritional Support for the Musculoskeletal System” — 2.5 CE Hours (February 6, 2015)
- NWHSU Homecoming — “Healthy Aging” — 2.5 CE Hours (February 5, 2015)
