Our Privacy Pledge

We are very concerned with protecting your privacy. While the law requires us to give you a copy of our *Privacy Notice,* please understand that we have and always will respect the privacy of your health information. At your request, we will give you a copy of our complete *Privacy Notice.* Radiant Health Chiropractic does reserve the right to change our privacy practices as described in this notice. If any future changes are made to our privacy practices, we will notify you in writing.

Consent for Use or Disclosure of Health Information

The following are possible circumstances in which we may have to use or disclose your PHI (Patient Health Information):

- We may have to disclose your PHI to another health care provider or hospital if it is necessary to refer you to them for diagnosis assessment or treatment of your health condition.
- We may have to disclose your PHI and billing records to another party if they are potentially responsible for the payment of your services.
- We may need to use your PHI within our office for quality control or other operational purposes.

Initials:_____

Appointment Reminders and Health Care Information Authorization

Authorized staff of Radiant Health may need to use your name, address, phone number, billing information and your clinical records to contact you with appointment reminders, information about treatment alternatives or other PHI. We often will text from our personal cell phone(s) for reminders or scheduling. If this contact is made by phone and you are not home, a message will be left on your answering machine or voice mail. By signing this form, you are giving us authorization to contact you in these manners. As well, you may restrict the individuals or organizations to which your PHI is released or you may revoke your authorization to us at any time; however, your revocation must be in writing and mailed to our office. We will not be able to honor your revocation request if we have already released your PHI before we receive your request to revoke your authorization. In addition, your authorization to give us your PHI allows us to disclose that information to your insurance company for benefit verification or claims processing. You have the right to refuse to give us this authorization. If you do not give us authorization, it will not affect the treatment we provide to you but it may affect reimbursement by your insurance company.
