Dear Dr. Starkman:

On behalf of the Board of Directors, staff, volunteers and the children and families we serve, the Family Resource Center would like to thank you for your generous donation of three gift certificates having a total retail value of \$815 and received on March 15, 2010.

For over 30 years, the Family Resource Center has been dedicated to the treatment and prevention of child abuse through the strengthening of families in Miami-Dade County. The Center has become a beacon of hope for those most in need of safety and stability. We would not be able to provide these vital programs without donations such as yours. We understand there are many charities in need and we thank you for choosing The Family Resource Center.

Again, thank you for the difference you are making in the lives of the children and families we serve.

Sincerely,

Dorit Matthews
Director of Development
