Dear Oasis Chiropractic Center:

On behalf of the volunteers and board of directors of Blessings in a Backpack, thank you for your generous support of our organization with your donation of an **acupuncture exam, scan & treatment and introduction to enzyme nutrition** for the **wine tasting event to benefit the Blessings in a Backpack program at Palmetto Elementary School in September 2014.**

Blessings in a Backpack is a results-oriented program. This unique program is designed to feed elementary school children whose families qualify for the federal free and reduced meal program, and may not have any or enough food on the weekends. Better test scores, improved reading skills, positive behavior, improved health and increased attendance have all been attributed to the success of this program.

Donors, like you, contribute to the success of Blessings in a Backpack, which provides food for over 72,000 children each weekend. Thank you for sharing....thank you for caring.

Sincerely,

A handwritten signature in black ink that appears to read "Kevin".
