Dear Dr. Starkman:

All of the staff at Weil Gotshal & Manges enjoyed your presentation! It was both educational and humorous--your speaking skills kept everyone interested and attentive!

As a result of your visit, our staff now understands how to properly sit/work at their desks without doing damage to themselves. They are practicing "maintaining their curves". I know that a few people have already scheduled appointments with you and are very happy with your service. I have no hesitancy in referring others to you.

Once again, thanks for visiting us. I'm sure we'll be inviting you back again!

Sincerely,

Connie J. Porter
Office Administrator
