Re: Oasis Relaxation Station

Dear Dr. Starkman,

On behalf of everyone at Morrison, Brown, Argiz and Farra, LLC, I would like to personally thank you and your wonderful staff for participating in our annual health fair last month.

In just a few short minutes, the Oasis team was able to come in and transform the room into a relaxing spa-like environment. Our employees truly enjoyed and benefited from the amazing massages, CranioSacral Therapy, and chiropractic counseling you offered them, and were left revived and energized to finish the rest of the work day!

I would highly recommend your services to anyone, and am already looking forward to next year!

Thank you again,

Marlene Torres-Munoz  
Human Resources Manager
