

OFFICE POLICY

The following is an explanation of our client policies. We believe that a clear definition will allow us both to concentrate on the most important issue: regaining and maintaining your health. We will be happy to answer any questions you may have regarding our policies, your account, or your insurance coverage.

Patient Payment Policy

We feel the patient's health needs are paramount; therefore, the following payment policy is an attempt to allow you, the patient, to receive the care you need and clear your balance with the least amount of difficulty.

New Patient Care Services

We require a minimum of 25% of the first visit charges due on the first day of service. The balance of these charges may be made in payments over the next six weeks, unless we bill your insurance for payment. Properly documented workers' compensation and auto accident claims are not required to pay at this time if appropriate forms and letters of protection are signed.

Established Patient Care Services

Patients with No Insurance

All payments are expected at time of service. Patient balances may not exceed \$200.00 at any time, or professional services may be terminated.

Patients with Insurance

Most insurance policies do cover chiropractic care. We will be happy to file your insurance claims for you and do everything we can to assure you receive proper reimbursement. However, we cannot take responsibility for what your health insurance will or will not cover. You must clearly understand and agree that all services rendered to you are charged directly to you and that you are personally responsible for payment. All copayments are expected at time of service. Patient balances may not exceed \$200.00 at any time, or professional services may be terminated.

Any balance due past 90 days will be sent to our collection agency and a \$30.00 collection fee will be added to your balance. There is a \$30.00 service fee for any returned checks.

Massage Therapy

All massage charges are due at the time of service and no payment plans will be allowed. We will be happy to bill your insurance company after collecting any copay. We require 24 hours' notice for any cancellation. If less than 24 hours' notice is given, or if you miss your appointment without calling, you will be charged for your appointment in the amount of \$25.00 per half hour missed. We understand emergencies occur, and in special circumstances this fee may be waived.

Appointments

In order to better serve our patients, we ask that you call if you are unable to make your appointment or if you will be late. Your appointment time is reserved for you. If you fail to notify our office, it leaves a time slot open that could be used to help someone else. Please help us help others. Additionally, should more than a 3 month period elapse between office visits, an evaluative exam is necessary prior to reinstating treatment.

Questions and Answers

Your questions about any aspect of your care or account are invited. Please feel free to ask your doctor or any available staff member. We will make every effort to answer your inquiries. Lastly, it is the goal of this office to provide you with the finest quality chiropractic care available. We welcome your referrals and look forward to a doctor-patient relationship that works for our mutual benefit.
