

SINCE 1996

Provolution Health

NATURAL WELLNESS CLINIC

ARE YOU AN EXPERIENCED CHIROPRACTOR
WITH A PASSION FOR NEUROSCIENCE?

SPECIALISE WITHOUT THE DEMANDS OF OWNING YOUR OWN PRACTICE!

UNPRECEDENTED OPPORTUNITY TO BE MENTORED IN YOUR
PASSION WHILE STILL BEING AN INSTRUMENTAL,
CONTRIBUTING PRACTITIONER

This exciting position would suit a chiropractor who has 5 or more years' experience, who is passionate about moving clients from "Pain to Brain." To work with patients in terms of focus, concentration, and mental clarity. This position would allow you to work with people who have behavioural challenges, learning difficulties and neurodegenerative conditions like Alzheimer's and dementia.

Whether your passion is to work with children, adults or people who want to experience peak mental performance, this position will give you the training that you need, the support you require and the opportunity to develop your expertise as a neuroscience-based chiropractor, impacting the health and quality of life of your community in a profound and powerful way.

We are going to take care of patient numbers for you, we will do all the marketing and practice growth. You just need to do what you do best, change the lives of those who experience pain due to neurodegenerative conditions. We need you to turn up and love your patients and we will make sure you have a growing and successful practice.

Send your CV with a cover letter to marcus@provolutionhealth.com.au explaining why you want to grow and be a part of a successful practice. Also, detail why you love chiropractic and any unique attributes that highlight why you should be accepted into this professional mentoring and practice mastery opportunity.
