NEW GRADUATE OPPORTUNITY LEARNING A
SPECIALISATION AS YOU BEGIN YOUR PROFESSIONAL CAREER

DO YOU HAVE A PASSION FOR NEUROSCIENCE,
BUT NEED TO BE MENTORED TO
DEVELOP YOUR EXPERTISE?

UNPRECEDENTED OPPORTUNITY FOR NEW GRADUATE TO GAIN
SPECIALISED KNOWLEDGE AND TRAINING.

This position would suit a new graduate with a passion in chiropractic neurosciences.

Chiropractic neurosciences is an important part of practice that allows the chiropractor to have a strong influence on the brain and nervous system. We want you to move from “pain to brain,” to work with patients in terms of focus, concentration, and mental clarity. It will allow you to work with people who have behavioural challenges and even learning difficulties, not to mention neurodegenerative conditions like Alzheimer’s and dementia.

Whether you work with children, adults or people who wanted to experience peak mental performance—this position will give you the training that you need, the support you require and an opportunity to develop your expertise as a neuroscience-based chiropractor impacting the health and quality of lives of your community in a profound and powerful way.

Send your CV with a cover letter to marcus@provolutionhealth.com.au explaining why you want to grow and be a part of a successful practice. Also, detail why you love chiropractic and any unique attributes about you that highlights why you should be accepted into this professional mentoring and practice mastery opportunity.
