Provolution Health

NATURAL WELLNESS CLINIC

NEW GRADUATE OPPORTUNITY: MENTORING, GROWTH, CONTRIBUTION AND FUN!

ENERGETIC & PASSIONATE CHIROPRACTOR WANTED!

We're looking for an energetic, vitalistic chiropractor to join our successful wellness practice of 23 years in Queanbeyan (10 minutes from Australia's capital, Canberra). There are 2 things we care about most at Provolution Health – our clients and each other!

Our practice has a beautiful energy and culture which is sacred to us! This means you'll have excellent people skills, are warm and genuine in your interest and concern for others.

In addition, our team is like a second family. We're hardworking and we impact the health and lives of our clients in a powerful way – yet, our practice never goes a minute without laughter and fun. Personal and professional development is extremely important to us, so you'll be excited at the opportunity to be mentored on a weekly basis and you will be moved by the idea of growth and developing a wider range of skills!

When you begin in practice you realise, it's time to express your love for chiropractic and fulfil your desire to make a difference in people's lives. It's for this reason, we believe our practice is a perfect match for you.

If you're seeking to make a positive change in people's lives, grow as a practitioner, be supported and valued – all while having fun and receiving above industry average remuneration, we want to hear from you!

Please e-mail your resume to marcus@provolutionhealth.com.au as well as a cover letter with a brief introduction of who you are and why this opportunity excites you.
