Clinical Training Day at Fortitude Valley Dentist (Hosting & Seminar with Dr John Flutter)

What is a Clinical Training Day?

The visitors will see my team working while the visitors observe.

The Activities Room and one of the consulting rooms will be used as the lecture rooms with video feeds.

It will not be a normal days work for us but we will be working our usual way.

We will select the patients to show a wide variety of procedures and different stages of treatment.

We will space the appointments to allow for discussion with all the staff.

The visitors will be seated in the Activities Centre at desks and be able to watch on the large screen and repeater monitors the patients being treated.

There will be video and audio feed from one consult room and one clinical room.

All patients seen will have signed a consent form to allow for filming.

We work as normally as possible in that part of the practice.

Dr Asad will be working with the patients.

Dr John will be there to explain what is happening with a running commentary.

The visitors will all go by taxi with Dr John for lunch for pre-ordered meals, the Doctors must select beforehand. All catering is included in the cost.

Morning and Afternoon tea, tea, coffee and water will be provided at the practice.

Our clinic hours on a Monday, Tuesday & Thursday are 8:00am to 6:15pm, and Wednesday's from 10:00am to 7:00pm.

Maximum attendees 16.
