

*Greetings and Happy New Year to our valued Excel patients!*

This letter is to share a few changes that will begin January 1, 2022.

First, we have not changed our fees for over 2 years and this year we are making a few adjustments (ha!). Please see the attached fee schedule for a full list of our insurance and time-of-service rates.

We would like to point out one service in particular: Extremity Adjustment \$5.00

An extremity is anything other than your spine, which includes:

---

Jaw	Elbow	Knee
Cranial	Wrist	Ankle
Shoulder	Hand	Foot

---

*These adjustments take extra time and expertise to know exactly where and how to adjust these areas. Beginning January 1, if you receive an adjustment for any region listed above, an extremity adjustment fee will be charged.*

Second, as most of you are aware Dr. Brown is maintaining her part-time schedule. She is currently fully booked into February-March 2022 and booking out to May 2022. She also has a long waiting list. Because of this, it is very important that you let us know if you are unable to make an appointment scheduled with Dr. Brown.

**Those that miss their appointment with Dr. Brown (no-call-no-show) will not be able to schedule with Dr. Brown in the future. Please let us know as soon as possible if you are unable to make your scheduled appointment so we may call someone else who is waiting to be seen.**

We appreciate your help with this and are very thankful for your understanding!

Last, our massage department has added a new technique to our massage menu!

Graston massage is a form of therapy that uses specialized tools with therapeutic massage to break up scar tissue and muscle restrictions. 30 min – 90min

For a full list of massage services, please see our Massage Menu at the front desk.

Excel Family Chiropractic is very grateful for all of our patients this past year. We strive to provide excellent care for every one of your visits. As always, please do not hesitate to contact us with any questions, concerns or feedback.

In Health,

Laura Hachmeister, Office Manager
