INFORMED CONSENT TO CHIRPROACTIC TREATMENT

I hereby request and consent to the performance of chiropractic adjustments and other procedures including various modes of physical therapy, if necessary. I further understand that such chiropractic services may be performed by the Physician of Chiropractic named here, **Dr. Jennifer Jaffe Finn, Dr. Krysten Schab** and/or other licensed Physicians of Chiropractic who may treat me now or in the future in this office.

The Nature of Chiropractic Treatment: The doctor will use her hands or a mechanical device in order to move your joints. You may feel a "click" or "pop", such as the noise when a knuckle is "cracked", and you may feel movement of the joint. Various ancillary procedures, such as hot or cold packs, and others, may also be used.

Possible Risks: I understand that results are not guaranteed. I understand and am informed that, as in the practice of medicine and all health care, the practice of chiropractic carries some risks to treatment. In the rare event there are specific risks pertaining to my individual case, the doctor will address these with me directly. The risks of complications due to chiropractic treatment have been described as "rare, about as often as complications are seen from the taking of a single aspirin tablet.

Risks of Remaining Untreated: Delay of treatment allows formation of adhesions, scar tissue and other degenerative changes. These changes can further reduce skeletal mobility, and induce chronic pain cycles. It is quite probable that delay of treatment will complicate the condition and make future rehabilitation more difficult.

I have read or had read to me the explanation above of chiropractic treatment. I have had the opportunity to have any questions answered to my satisfaction. I have fully evaluated the risks and benefits of undergoing treatment. I intend to receive the recommended treatment, and hereby give my full consent to treatment.

To be completed by the patient's representative if necessary (if the patient is a minor or is physically or mentally incapacitated)

In some instances, older minor children may present for care without a parent or other representation. This occurs commonly with students of driving age. Though it is required that a parent/guardian make the appointment for the minor, this facility must have permission to present for care at the scheduled appointment time without the responsible party (parent/guardian) present. By office policy, in this event, any treatment outside of what would be considered routine, the responsible party (parent/guardian) will be contacted and notified prior to the rendering of such service(s).

By signing below, I authorize my minor child to present for treatment without a parent/guardian present. I understand that myself or another parent/guardian are responsible for scheduling the minor child's appointment so as to confirm that I am aware the child is being treated.

I understand that I may make changes to this consent at any time, and to update or change the terms of this agreement, it is my responsibility to notify the front desk and request an updated consent form.
