You have the right to revoke the authorization at any time, which will halt any future sale.

If you do authorize a use and/or disclosure, you have the right to revoke that authorization at any time by submitting a revocation in writing to our Privacy Officer. However, revocation cannot be retroactive and will only impact uses and/or disclosures after the date of revocation.

YOUR RIGHTS

Right to Revoke Authorization— You have the right to revoke any Authorization or consent you have given to the Practice, at any time. To request a revocation, you must submit a written request to the Practice's Privacy Officer.

Right to Request Restrictions— You have the right to request that we restrict the uses or disclosures of your information for treatment, payment or healthcare operations. You may also request that we limit the information we share about you with a relative or friend of yours. You also have the right to restrict disclosure of information to your commercial health insurance plan regarding services or products that you paid for in full, out-of-pocket and we will abide by that request unless we are legally obligated to do so.

We are not required to agree to any other requested restriction. If we agree, we will follow your request unless the information is needed to a) give you emergency treatment, b) report to the Department of Health and Human Services, or c) the disclosure is described in the "Uses and Disclosures That Are Required or Permitted by Law" section. To request a restriction, you must have your request in writing to the Practice's Privacy Officer. You must tell us: a) what information you want to limit, b) whether you want to limit use or disclosure or both and c) to whom you want the limits to apply. Either you or we can terminate restrictions at a later date.

Right to Receive Confidential Communications— You have the right to request that we communicate your PHI in a certain way or at a certain place. For example, you can ask that we only contact you by mail or at work. You do not need to give us a reason for your request. We will accommodate all reasonable requests.

Right to Inspect and Copy— You have the right to inspect and request copies of your information. I understand that a clinical summary report is created after each visit for the purpose of EHR and is available for my review. At this time, I am asking Kuchmaner Chiropractic to save these electronically for me and not print them out after each visit. I understand that, upon request, these reports are available to be printed or emailed to me for review.

To inspect or copy your information, you may either complete an Authorization to Release/Obtain Information form or write a letter of request, stating the type of information to be released, the date(s) of service being requested, the purpose of the request, and whether you wish to review the record or receive copies of the requested information in your preferred format. We will abide by your request in the format you have requested, if we are able to do so. If we cannot provide your records to you in the requested format, we will attempt to provide them in an alternative format that you agree to. You may also request that your records be sent to another person that you have designated in writing. Direct this request to the Practice's Privacy Officer. You may be charged a fee for the cost of copying, mailing or other expenses related with your request.

We may deny your request to inspect and copy information in a few limited situations. If your request is denied, you may ask for our decision to be reviewed. The Practice will choose a licensed health care professional to review your request and the denial. The person conducting the review will not be the person who denied your request. We will comply with the outcome of that review.

Right to Amend— If you feel that your PHI is incorrect, you have the right to ask us to amend it, for as long as the information is maintained by us. To request an amendment, you must submit your request in writing to the Practice's Privacy Officer. You must provide a reason for the amendment.

We may deny your request for an amendment if it is not in writing or does not include a reason for wanting the amendment. We also may deny your request if the information: a) was not created by us, unless the person or entity that created the information is no longer available to amend the information, b) is not part of the information maintained by the Practice, c) is not information that you would be permitted to inspect and copy or d) is accurate and complete.

If your request is granted the Practice will make the appropriate changes and inform you and others, as needed or required. If we deny your request, we will explain the denial in writing to you and explain any further steps you may wish to take.

Right to an Accounting of Disclosures— You have the right to request an accounting of disclosures. This is a list of certain disclosures we have made regarding your PHI. To request an accounting of disclosures, you must write to the Practice's Privacy Officer. Your request must state a time period for the disclosures. The time period may be for up to six years prior to the date on which you request the list, but may not include disclosures made before April 14, 2003.

There is no charge for the first list we provide to you in any 12-month period. For additional lists, we may charge you for the cost of providing the list. If there will be a charge, we will notify you of the cost in advance. You may withdraw or change your request to avoid or reduce the fee.

Certain types of disclosures are not included in such an accounting. These include disclosures made for treatment, payment or healthcare operations; disclosures made to you or for our facility directory; disclosures made with your authorization; disclosures for national security or intelligence purposes or to correctional institutions or law enforcement officials in some circumstances.

Right to a Paper Copy of this Notice— You have the right to receive a paper copy of this Notice of Privacy Practices, even if you have agreed to receive this Notice electronically. You may request a paper copy of this Notice at any time.

Right to File a Complaint— You have the right to complain to the Practice or to the United States Secretary of Health and Human Services (as provided by the Privacy Rule) if you believe your privacy rights have been violated. To file a complaint with the Practice, you must contact the Practice's Privacy Officer. To file a complaint with the United States Secretary of Health and Human Services, you may write to: Office for Civil Rights, U.S. Department of Health and Human Services, 200 Independence Avenue, S.W., Washington, DC 20201. Informed Consent to Treatment

I hereby request and consent to the performance of chiropractic adjustments (also known as spinal manipulations) and other chiropractic procedures, including various modes of physical therapeutic modalities and diagnostic X-rays on me (or on the patient named below, for whom I am legally responsible) by V.A. Kuchmaner, D.C. and/or other licensed doctors of chiropractic who now or in the future work at Kuchmaner Chiropractic.

I have had an opportunity to discuss with the doctor of chiropractic named above and/or with other office or clinic personnel the nature and purpose of chiropractic adjustments and other procedures. I understand that results are not guaranteed. I understand that the type of treatment used in this office is a low force treatment that helps reduce the possibility of the below risks but the information is provided so that I may make an informed decision.

I understand and am informed that, as in the practice of medicine, in the practice of chiropractic there are some possible risks to treatment, including but not limited to fractures, disc injuries, VBA, dislocations and sprains. I do not expect the doctor to be able to anticipate and explain all risks and complications, and I wish to rely upon the doctor to exercise judgment during the course of the procedure which the doctor feels at the time, based upon the facts then known to him or her, is in my best interest.

I have read, or have had read to me, the above consent. I have also had an opportunity to ask questions about its content, and by signing below I agree to the above-named procedures. I intend this consent form to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment.

Medpay Information

A lot of people have benefits (MEDPAY) included in their automobile policies and do not even realize it. Our office highly recommends that you use your Medpay coverage, if you have it, in the event that you've been in an automobile accident, regardless of who is at fault.

Here are three reasons why we recommend filing your Medpay.

1. **Medpay is similar to health insurance.** Using it does not cause your rates to increase. If your rates do increase, it's not because you filed your Medpay, it's most likely because a) it was determined that you were at fault, b) you received the police citation or ticket, or C) you've been involved in numerous reported auto accidents within a brief period of time and therefore are now considered to be "high risk."
2. **Filing your Medpay does not relieve the other party from having to pay in full for your loss.** On the contrary, by filing your Medpay, when you collect from the other driver's liability insurance, a greater amount of the settlement will go directly to you because your bill at our office may be paid in full. If the other driver's liability insurance refuses to make payments to you for whatever reason, filing your Medpay will help insure that you are not stuck with all of the medical bills.
3. **If you have Medpay coverage and choose not to file it, then you are paying for an option, but not receiving any benefit.**

To file your Medpay, simply call your auto insurance company and make a separate Medpay claim. Once you have a phone number and claim number for your Medpay coverage, bring it into us and we will take care of filing it to your auto insurance company.
