Dear Dr. Pepping,

I would like to thank you and your colleagues for your generous donation of Target and Starbucks gift cards and supplies to a family in Bridge Communities.

During their time in our transitional housing program our clients are learning to budget and manage their resources so that they can be self-sufficient. Personal hygiene products and household supplies can be quite costly and are not eligible for purchase through the family's food stamp card. So, donations of these items and a Target gift to purchase necessities are both greatly valued and appreciated. And, a treat at Starbucks is often something our families cannot afford.

In our efforts to transform homeless families' lives through transitional housing, mentoring and employment services, the thoughtfulness of wonderful people like you can only strengthen Bridge Communities' mission to better the lives of homeless families in DuPage County.

Your gifts will be delivered to a family in the coming week. I know they will be much appreciated by the mom and children. Thank you again for thinking of Bridge Communities and our families.

Best regards,

Amy Van Polen
