Terms of Agreement

Acknowledgement of Discounted Fees: Client acknowledges that these fees are discounted and not FPC's usual & customary fees. As such, client understands that these fees will only be offered for as long as client is directly paying FPC for the services. If client wishes to submit receipts directly to an insurance carrier, said receipts will reflect discounted fees only.

Appointment Scheduling: To save time on each visit, we ask that you preschedule all appointments in advance, and we ask that you refrain from repeatedly rescheduling appointments. To keep your progress on schedule, rescheduled appointments must be made up within the same week.

No Guarantee of results: Chiropractic has only one goal: to eliminate misalignments within the spinal column, which interfere with the expression of the body's innate wisdom. It is important that each patient understand both the objective and the method that will be used to attain our goal. This will prevent any confusion or disappointment.

Cancellation of Care: To qualify for partial reimbursement, you must cancel within a 3-month period of your care plan. This means that your care will go back up to full price, and the difference will be reimbursed back on your card within a 30-day period. After 3 months your care will go back up to full price, and only 50% of the difference will be refunded. After 6-12 months your care will go back up to full price and only 20% of the difference will be refunded. After 1-year refunds will not be issued. Negotiations can be made in the instance of financial crisis.

This Plan is Not Insurance: This agreement does not constitute insurance and as such FPC makes no promises to treat new conditions under this agreement.

Complete Agreement: This agreement is non-transferable and constitutes the complete agreement between client and FPC. No other chiropractic facilities are covered by this agreement. This agreement may be modified by FPC with 30-days written notice.
