CONSENT FORM

Naturopathic medicine is a style of medicine which approaches individual health, condition treatment and disease prevention primarily by natural means. Naturopathic doctors consider the whole person taking into account physical, biochemical, mental and emotional aspects of each person and work to find the root cause of disease and to stimulate the innate healing ability of the body.

There is a slight potential for risk involved in naturopathic medical care. These risks include but are not limited to the following:

- Allergic reaction to supplements, herbs, topical products or injectable components
- Aggravation of pre-existing symptoms or condition(s)
- Mild pain, bruising or minor bleeding following acupuncture, injection therapies or venipuncture

I _____understand that my identity will be protected at all times and that a health record will be kept detailing health services provided to me. This record will be kept confidential and will only be released under my specific direction or as required by law. I understand that I may see my medical record at any time during regular business hours and that a copy can be requested for a fee. I also consent to the use of information in my medical record for research purposes and understand that my identity will always be protected and kept absolutely confidential.

I commit to informing my Naturopathic Doctor immediately of any disease or condition I am suffering from and will continue to update my Naturopathic Doctor with all pertinent changes in my health. I will also inform my Naturopathic Doctor immediately if I become pregnant or suspect that I am pregnant or if I am breast feeding.

I understand that the Naturopathic Doctor will answer any of my questions to the best of her ability. I understand that results are not guaranteed. I do not expect the Naturopathic Doctor to anticipate and explain all risks and potential complications involved in naturopathic care. With this knowledge, I voluntarily consent to diagnostic and treatment procedures by my Naturopathic Doctor. I understand that my consent, as indicated on this form, will cover the entire duration of my clinical relationship with my naturopathic doctor. I also understand that I am free to withdraw this consent through written notification and may discontinue participation in any procedure at any time.
