What to Expect

We want to thank you for choosing Murphy Chiropractic & Wellness to be a part of your healthcare team. Chiropractic care is not a "one and done" appointment, though we do see numerous patient's that feel much better after their first adjustment. Your treatment plan is specific to you and it is important that you do not miss your appointments. You will notice at the beginning of your treatment that you may be scheduled to come 2-3 times a week. You are being seen more frequently at the beginning because we are working to change your body's "bad habits." Your first adjustment may only last a few hours and each adjustment builds upon the one prior and in time your body will naturally begin to "hold" the adjustment for longer periods of time. When we see you reaching this point in your treatment, we will re-evaluate you and hopefully begin to transition you to wellness visits when you may come once a month!

Appointments

Our chiropractic appointments are scheduled every 15 minutes throughout the day and massage appointments can range from 30 minutes to an hour and a half. We make reminder phone calls daily for all appointments for the following day. Many times when we can't reach you by phone we are unable to leave a voicemail due to your mailbox being full or not being set up. We encourage all patients to please make sure your voicemail is set up, and please check your messages as it may be an appointment reminder.

Because we dedicate time to make these reminder calls, we have instated a missed/no show appointment policy. We require at least 24 hours' notice of cancellation or rescheduling. Failure to do so will result in a missed/no-show appointment fee. **This fee is not covered by insurance and will be your responsibility.** Forgetting your appointment, over-sleeping, or last-minute work or social obligations are not considered emergencies, so a missed/no-show appointment fee will be charged to you in those circumstances.

Also, if you to additional time with Dr. Murphy beyond a regular adjustment appointment, we ask that you let us know in advance so we can schedule you for a consultation in order to provide the extra time needed to discuss any questions, concerns or new complaints/areas of pain that you may have. We value your time and ours and are striving daily to keep your wait times as minimal as possible.

Late for your appointment

If you are more than 15 (fifteen) minutes late for your appointment you may not be treated or you may receive an abbreviated treatment within the time constraints of your originally scheduled appointment.

Reschedule/Cancellation Policy

In order to be respectful of other patient's needs, please be courteous and call us promptly if you are unable to show up for your appointment. We are a "high volume" office and appointments are in high demand. Your early cancellation or rescheduled appointment will be reallocated to someone who may be waiting for an appointment time to open.

If you need to reschedule or cancel an appointment, please do so at least 24 hours in advance. If you call after regular business hours, please leave us a voicemail.

If you reschedule or cancel your appointment on the **same day**, you will be charged a fee for your appointment. If you are scheduled for a massage appointment, and we do not receive confirmation by 5:00 pm the day before your appointment, your appointment may be rescheduled to a later date.

Chiropractic - $15 fee **Massage** - $25 fee

Missed Appointment/No-Show

If you miss an appointment without calling to notify the office at least 24 hours in advance you will be charged the fee(s) as listed above.

If you miss 3 or more consecutive appointments, you may be transitioned to a once a month wellness patient.

MEDPAY OFFICE POLICY

Personal Injury cases are accepted in our office. All personal injury cases, whether car or home accidents, must provide necessary information regarding your personal car insurance, the "at fault" insurance, your commercial health insurance, as well as the accident report, and attorney name and contact information if one has been retained.
The personal car insurance is needed because most individuals have medical benefits (usually called "Medpay" or" PIP") included in their automobile policies and some do not even realize it. If these benefits are available on your policy, our office requires that you use them in the event that your injuries are as a result of an automobile accident.
The following outlines why we require Medpay or PIP be filed:

1. **Medpay and PIP are exactly like health insurance – using either form of coverage does not cause your rates to go up**. However, if your rates are increased it is not because of the medpay was filed. It is most likely because: (a) the accident was determined by the insurance company to be your fault, (b) you received a police citation or ticket, and (c) you have been involved in numerous reported auto accidents within a brief period of time and are therefore considered "high risk".

2. **Filing your Medpay or PIP does not relieve the "at Fault" party from having to pay in full for your loss.** Filing Medpay or PIP does not relieve the other party from being held responsible for payment. If the "at fault" driver's liability insurance refuses to make payment on your medical bills for whatever reason, filing your Medpay/PIP will help ensure that you are not left to pay these expenses out of pocket.

3. **We do not charge for filing your Medpay or PIP.** As long as Murphy Chiropractic & Wellness, P.A. is filing my Medpay/PIP and, the insurance company is continuing to cover the charges accrued, collection of payment at time of service will be waived. If overpayment on my account is made, Murphy Chiropractic & Wellness, P.A. will refund the difference. I clearly understand and agree that all services rendered to me are charged directly to me, thus, I am personally responsible for payment in full.

Signature below of patient/Guardian indicates that you have read and accept above provisions.

ELECTION NOT TO FILE HEALTH INSURANCE CLAIMS

(Personal Injury/Accident)

The chiropractor at this clinic is a participating ("in-network") providers for your health benefit plan. As a participating provider, we are obligated to file claims for reimbursement with your plan for all covered services provided to you UNLESS you instruct us in writing not to file.

You have indicated that for services related to this personal injury, rather than using your own health insurance, you wish to consider seeking payment from other third-party payors such as the at-fault driver's liability insurance or Medpay.

By electing NOT to file claims on your health insurance:

The clinic will rely on your decision and extend credit to you for the cost of care based on the assumption that your bill will be paid by sources other than your health insurance. **You will be required to assign to the clinic the right to receive monies paid by liability insurers, medical payments insurers or other third-party payors to the extent necessary to satisfy your bill.**

You will not be required to pay co-payments/co-insurance and/or deductibles that would normally be required by your health benefit plan.

The cost of your treatment will be billed at the clinic's usual rates rather than the discounted rates that routinely apply to services covered by your health benefit plan.

If the combined payments received from other sources do not fully satisfy your bill, you may be personally liable for any unpaid balance.

None of the charges for your treatment will be applied towards satisfying the annual deductible (if applicable) associated with your health benefit plan.

Election not to file health insurance claims:

By my signature below, I attest that I have read and understand the above information regarding the election not to file claims on my insurance and have been given an opportunity to ask questions and to have those questions answered.

I hereby instruct the clinic not to file claims on my health insurance for services associated with this accident/injury, and I authorize the clinic to seek payment from, and send my treatment records to, other third-party payors who are potential sources of payment.

I understand that the clinic is relying on my decision not to file health insurance claims, and that with regards to claims related to this accident/injury, this decision is irrevocable.

I understand that no subsequent action on my part shall impair the clinic's right to bill and receive payments from third-party payors; subject only to any contractual obligation the clinic may have to my health benefit plan.
