

PLEDGE OF PROFESSIONAL VALUES

As an ACA chiropractor, I pledge to make **Accountability** to my patients and the public a priority by utilizing when appropriate, treatment standards and best practices and by focusing on patient outcomes.

I strive to provide the highest quality care and **Consistency** for my patients by using evidence to inform my practice, remaining committed to the ACA Code of Ethics and exhibiting the highest level of professional excellence.

I treat fellow members with courtesy and respect while embracing a collaborative approach and **Attitude** toward other health care professionals that moves the organization, and the profession, forward.
