This practice is a holistic health centre that cares for your overall health.

Your privacy is important to us. Tamar Chiropractic & Allied Health has policies in place to protect your privacy. We have many health professionals such as general practitioners, specialists and allied health professionals that use and have access to our electronic patient records. Because of the sensitive nature of the information collected by us to provide these services, extra precautions are taken to ensure the security of that information. Our electronic files are password-protected on several levels, and the computer backup tapes are stored offsite. We require all our employees and contractors to observe obligations of confidentiality in the course of their employment/contract.

As a patient of this clinic, we will contact you for recalls and investigation results.

This Practice is a private billing practice, by signing this form you are agreeing to pay accounts at the time of service.
