

TRIAD PAIN GROUP

Celebrating 1 year in Gold Canyon and 25 Years in healthcare!

NOW OFFERING PODIATRY AND PRIMARY CARE SERVICES

Innovative New Services Treatments & Screenings

- **EMSELLA:** WE ARE PLEASED TO OFFER THIS BREAKTHROUGH TREATMENT FOR INCONTINENCE. EMSCELLA TREATS ALL TYPES OF INCONTINENCE ISSUES, SUCH AS FREQUENCY OF URINATION, LEAKS, AND BREAKTHROUGH URINATION. IMPROVE YOUR OR YOUR PARTNER'S SLEEP BY REDUCING OR ELIMINATING WAKING AT NIGHT TO USE THE BATHROOM.
- **VESTIBULAR AUTOROTATION TEST (VAT):** THIS IS A FALL PREVENTION AND BALANCE SCREENING TEST THAT INVOLVES A COMPLETE DIAGNOSTIC EVALUATION OF THE EAR, BRAIN, AND EYE. THE AMERICAN GERIATRIC SOCIETY STATES THAT 85% OF FALLS OCCUR FROM SOME TYPE OF VESTIBULAR ISSUE. PHYSICIANS ARE ENCOURAGED TO SCREEN ALL SENIOR PATIENTS TO REDUCE FALLS.
- **VOXNEURO:** THIS IS A COGNITIVE HEALTH ASSESSMENT FOR ALZHEIMER'S/DEMENTIA, CONCUSSION DETECTION, AND MORE. TAKE CONTROL OF YOUR BRAIN HEALTH WITH THIS 30-MINUTE ASSESSMENT. THE DATA SUPPORTS AN ACCURATE DIAGNOSIS SO CLINICIANS CAN CUSTOMIZE TREATMENT PLANS TO HELP ENSURE THE BEST POSSIBLE OUTCOMES.
- **ALLERGY IMMUNOTHERAPY TREATMENTS (AIT):** ALLERGIES CREATE INFLAMMATION, AND AIT SLOWLY TRAINS THE IMMUNE SYSTEM TO BE LESS SENSITIVE TO ALLERGENS, THEREBY HELPING TO DIMINISH INFLAMMATION AND PAIN.
