Our experience has shown that it is wise to have an understanding with our patients as to our office policies and fees. This form has been prepared for your convenience and information. We offer several methods of payment for your needs. This information will enable us to better serve you and help to avoid misunderstandings in the future. Our main concern is your health and well-being, and we will do our best to help you in any way we can. A detailed outline of services charges can be provided upon request.

PLAN 1: GROUP INSURANCE

If you have insurance which covers Chiropractic care, we will bill your insurance directly. Please present your card on your first visit. Until we have the completed necessary information to verify coverage, you will be required to pay for your care. This includes any deductible or co-pay at the time of your service. In the event the insurance check should come to you, you are expected to bring the check in to us. Remember, insurance companies do not guarantee payment. Please know that we will bill the insurance company for all the services provided including but not limited to extremity adjustment, traction, neurological re-education, and soft tissue therapies. If you have questions regarding any of your billing please ask.

PLAN 2: HEALTH CARE MADE AFFORDABLE (HCMA)/CASH

For those patients who qualify, we offer discounted cash agreements on a monthly block basis. Please ask for details separate to this professional fee schedule. Fees are to be paid at the time services are rendered, unless special arrangements have been made in advance. Discontinuing care before completing the agreed upon corrective or wellness care plan will cause your plan to be prorated at our regular rates for all visits from the beginning of care.

PLAN 3: WORKERS COMPENSATION INJURY

You need to report your injury to your employer and bring in insurance information. Payment for services is required until insurance information is verified. We will bill the insurance company directly.

PLAN 5: AUTO/PERSONAL INJURY

You need to report the accident and present your auto insurance card to us on your first visit. Payment will be required until your coverage can be verified. We will bill the insurance company directly.

Insurance verification and authorization is not a guarantee of payment. And I further understand that such payment is not contingent on any settlement, judgment, or verdict by which I may eventually recover said fee. I understand that I may be responsible for any balance that is not paid by insurance. I authorize the Clinic to release any information regarding my treatment to any insurance company in effort to receive reimbursement for services provided. I authorize the use of this signature on all insurance submissions.

I have read and understand all of the options available to me.
