Missed Appointments

Tri Star Spine and Sport Chiropractic kindly requests that you call to reschedule or cancel your appointment if you are unable to keep it. Advance notice is helpful in order that we may help someone who is waiting to receive treatment. If the office is closed, you can leave a message on the machine, and it will be received the following business day. If we do not receive a call, there will be a “No Show Fee” for \$30.00.

Thank you for your understanding.
