Please Read: This questionnaire is designed to enable us to understand how much your low back has affected your ability to manage everyday activities. Please answer each Section by circling the **ONE CHOICE** that most applies to you. We realize that you may feel that more than one statement may relate to you, but Please **just circle the one choice which closely describes your problem** *right now*.

| SECTION 1Pain Intensity | SECTION 6 Standing |
|---|---|
| A. The pain comes and goes and is very mild. | A. I can stand as long as I want without pain |
| B. The pain is mild and does not vary much. | B. I have some pain while standing, but it does not increase with |
| C. The pain comes and goes and is moderate. | time. |
| D. The pain is moderate and does not vary much. | C. I cannot stand for longer than one hour without increasing |
| E. The pain is severe but comes and goes. | pain. |
| F. The pain is severe and does not vary much. | D. I cannot stand for longer than $\frac{1}{2}$ hour without increasing pain. |
| SECTION 2Personal Care | E. I can't stand for more than 10 minutes without increasing |
| A. I would not have to change my way of washing or dressing in | pain. F. I avoid standing because it increases pain right away. |
| order to avoid pain. | |
| B. I do not normally change my way of washing or dressing even | SECTION 7Sleeping |
| though it causes some pain. | A. I get no pain in bed. |
| C. Washing and dressing increase the pain, but I manage not to | B. I get pain in bed, but it does not prevent me from sleeping. |
| change my way of doing it. | C. Because of pain, my normal night's sleep is reduced by less |
| D. Washing and dressing increase the pain and I it necessary to | than one-quarter. |
| change my way of doing it. | D. Because of pain, my normal night's sleep is reduced by less |
| E. Because of the pain, I am unable to do any washing and | than one-half. |
| dressing without help. | E. Because of pain, my normal night's sleep is reduced by less |
| F. Because of the pain, I am unable to do any washing or | than three-quarters. |
| dressing without help. | F. Pain prevents me from sleeping at all. |
| SECTION 3Lifting | SECTION 8Social Life |
| A. I can lift heavy weights without extra pain. | A. My social life is normal and gives me no pain. |
| B. I can lift heavy weights, but it causes extra pain. | B. My social life is normal, but increases the degree of my pain. |
| C. Pain prevents me from lifting heavy weights off the floor. | C. Pain has no significant effect on my social life apart from |
| D. Pain prevents me from lifting heavy weights off the floor, but | limiting my more energetic interests, e.g., dancing, etc. |
| I can manage if they are conveniently positioned, e.g. on the | D. Pain has restricted my social life and I do not go out very |
| table. | often. |
| E. Pain prevents me from lifting heavy weights, but I can | E. Pain has restricted my social life to my home. |
| manage light to medium weights if they are conveniently | F. Pain prevents me from sleeping at all. |
| positioned. | SECTION 9Traveling |
| F. I can only lift very light weights, at the most. | A. I get no pain while traveling. |
| SECTION 4 Walking | B. I get some pain while traveling, but none of my usual forms of |
| A. Pain does not prevent me from walking any distance. | travel make it any worse. |
| B. Pain prevents me from walking more than one mile. | C. I get extra pain while traveling, but it does not compel me to |
| C. Pain prevents me from walking more than one mile. | seek alternative forms of travel. |
| D. Pain prevents me from walking more than 1/2 mile. | D. I get extra pain while traveling which compels me to seek |
| E. I can only walk while using a cane or on crutches. | alternative forms of travel. |
| F. I am in bed most of the time and have to crawl to the toilet. | E. Pain restricts all forms off travel. |
| SECTION 5Sitting | F. Pain prevents all forms of travel except that done lying down. |
| A. I can sit in any chair as long as I like without pain. | SECTION 10Changing Degree of Pain |
| B. I can only sit in my favorite chair as long as I like. | A. My pain is rapidly getting better. |
| C. Pain prevents me from sitting more than one hour. | B. My pain fluctuates, but overall is definitely getting better. |
| D. Pain prevents me from sitting more than $1/2$ hour. | C. My pain seems to be getting better, but improvement is slow |
