

Referral Program Terms of Service

Thank you for being a valued Perfect Patients client! We appreciate your business and your loyalty. Our referral program is designed to be a mutually beneficial program that rewards you for sharing the benefits of Perfect Patients with friends and colleagues.

Program Overview

For each new practice you refer to Perfect Patients who becomes a paying client, you will receive one month of free service credited to your account. Once you refer a total of 12 new clients, you will receive a free Perfect Patients website for life.

Referral Process

1. **Refer a Friend:** Share your positive experience with Perfect Patients with a chiropractic colleague.
2. **Referral Becomes a Client:** The referred chiropractor must sign up for a Perfect Patients service plan, provide your name, and become a paying client.
3. **Credit Applied:** Once the referred practice's website is live, you will receive one month of free service credited to your account.

Free Website for Life

To qualify for a free Perfect Patients website for life, you must refer a total of 12 new clients. We understand that referring a total of 12 clients might come over years of service with us. For that reason, the only requirement to earn your free website for life is that at least 12 of your referrals fulfill their initial 12-month agreement.

The free website for life will be equivalent to the service plan you are enrolled in at the time you reach 12 successful referrals. If you wish to upgrade your website plan, you will be responsible for the difference in cost.
